Access Code

Company Name

Full Name

Business Email Address

Submit

The attendees must insert the access code on the registration page and then fill in the form with their personal information. After that, they will land on their personal pod portal.

- ✓ Fill the form with the required information.
- ✓ Pay close attention to spell your Full name correctly, because this field will be used to populate your certificate
- ✓ The **Access Code** is the same for all attendees and will be shared by the trainer
